

2011 Fall TASA Conference September 23rd, 24th 2011

Fluid Dynamics: Navigating the Evolving Arts

Theme description:

We will be addressing the diverse facets and levels of community involvement a degree in Art History and Fine Arts can lead to by exploring the evolving boundaries between art and related fields in this age of multitasking and conglomeration.

Location: central Ft Worth – near the TCC Trinity River campus – the Museum District-

Trinity TCC Campus

http://www.tccd.edu/Campuses_and_Centers/Trinity_River_Campus.html

We have 2 Hotels to book from: (add 15% local tax)

Residence Inn

<http://www.marriott.com/hotels/travel/dfwrw-residence-inn-fort-worth-cultural-district/>

= \$129 per night = Sept 23rd/24th

They have a shuttle running Mon – Fri 7am to 8pm within a 5 mi radius = to all TASA Conference locations (closer to museums and nightlife)

Start Conference Itinerary: (please print a copy and keep during conference):

As a reminder, the schedule during the conference is meant to make the most of your TASA conference experience. During the actual days of the conference there will be small opportunities for individual excursions. However, the DFW area has plenty of sights and interesting venues – **so we encourage early arrivals to the area just because there is so much to see and do.**
(Hotel availability and room prices may vary)

Thursday: Sept 22nd “Unofficial” TASA events/suggestions:

Selections:

Workshop # 1 Art Tour of NW Campus Art Collection and temporary exhibitions spaces: Winter Rusiloski Location: Lakeview Gallery
Participants will tour the fourth floor of the administration building and view the art collection developed by Mike Matthews and Dr. Wells as well as several other permanent and temporary exhibits showing in our temporary exhibition spaces.

Workshop # 2 Animation Workshop: Christian Deleon Location: WFAB 1132
Participants will gain hands on experience working on an animation project that Christian has designed for them. Participants will use Adobe Flash to explore some animation basics.

Workshop # 3 Ceramic Assemblage: Fred Spaulding Location: WFAB 1147
Participants will be introduced to a variety of approaches to ceramic assemblage used by contemporary artists today, as well as to the processes used by Fred Spaulding in his ceramic assemblages. Participants will have the opportunity to contribute a ceramic object to the "Clay-Merz Skyline" ceramic assemblage on campus. Participants are invited to bring a ceramic object that they wish to contribute to the structure or they can make a ceramic object at the workshop which will be fired and placed in the structure.

Workshop # 4 Engaging Students in Art Appreciation: John Hartley
Location: WFAB1145
Participants will view a variety of strategies for engaging students in Art Appreciation class including the use of internet video, non traditional presentation design, and alternative resources as an integral part of classroom instruction.

Workshop #5 Life Drawing Teaching Techniques: Malone Samuels

Location: WFAB 1148

Participants will observe a variety of techniques that Malone uses to teach life drawing including demonstration drawings and teaching strategies. Participants may bring drawing materials and sketchbooks to practice the techniques introduced.
